statement regarding silicone

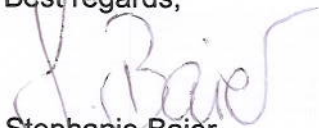

Dear Sirs, Dear Madams,

hereby we confirm, that we do not use silicon containing substances in our modules: LF-AI8, LF-AOP4, LF-DI10 und LF-DO4.

A possibility of subsequent contamination with silicones is handling and storing in your company. In this kind of following processes we cannot take over responsibility.

For this reason we confirm that the parts are free of silicone within our process chain, but not the comprehensive conformity as warranty.

Best regards,

A handwritten signature in blue ink, appearing to read 'S. Baier'.
